

# Band & Strings – Interest Form for Next School Year

Dear Parents /Guardians,

We have met with your child to discuss participation in the school instrumental music program for the next school year. Instrumental music is offered as a part of the DeKalb School curriculum beginning in the fifth grade. It is taught during school hours, during the activity period and there is no charge for the instruction. Anyone can learn to play a musical instrument with good teaching, practice, and parental support.

Please complete the form below and return it to your homeroom teacher if your child is interested in participating in band or strings for the next school year. Additional information in regards to renting or purchasing an instrument will be sent home at the beginning of the upcoming school year. Students will officially be signed up during that time.

Sincerely,  
Mr. Fowler – Band Director  
Mr. Coln - Orchestra Director

**Please Print clearly**

Student's Name: \_\_\_\_\_ School: \_\_\_\_\_
